

Health Equity Academy

Leaders for Tomorrow's Healthcare

WHO?

Are you a 9th-12th grade high school student interested in a career in the health professions?

WHAT?

Join our 6-session health leadership program to gain exposure in various health careers through hands-on, skill building team activities. There is no cost to participate.

WHY?

Our goal is to provide the knowledge, resources, support, and guidance necessary to increase the disadvantaged, underrepresented, and/or rural students entering college and health field.

GAIN EXPOSURE

- Explore different human body organ systems.
- Learn about the wide variety of existing careers in health.
- Engage in interactive activities and presentations.
- Learn from medical students and various health professionals about the different paths to careers in health.
- Program schedule accommodate to students' school schedules.

BUILD YOUR NETWORK

- Interact and gain contact with numerous health professionals and health professional students.
- Work in teams alongside other high school students across Sacramento and surrounding regions on a health research project.

GET COLLEGE-READY

- Engage with pre-health academic advisors from UC Davis and different colleges to learn about pre-health professions, requirements, and college readiness.

"I really love this program. It is very eye opening, and is helping me to see what steps I need to take next and what path I need to pave for myself."

- Vanessa Navarro
Health Equity Academy Fall 2020 Participant
